

Outdoor Grass Pitches

We would like to offer a warm welcome back to all our customers and hope that as time progresses, we can return to normal conditions but in the meantime we have introduced a number of control measures which must be adhered to at all times to keep users and staff as safe as possible. Please take the time to read the information below.

Following the updated guidance from the SFA, we can confirm that we will be taking bookings for friendly matches at weekend from Monday 14th September.

Our Grass pitches are bookable for organised outdoor contact sport for all ages subject to guidance from the Scottish Government and the Scottish Football Association. All clubs **MUST** ensure they have completed relevant risk assessments and adhere to all guidance issued by the Scottish Government and National Governing Bodies.

Clubs are required at the time of booking to provide us with the name and contact details for their COVID officer. Should there be able reports of inappropriate organisation of games or training the COVID officer will be contacted and potentially reported to the league associations.

Summary

As stated, it is our ambition to return to facilities in a safe and responsible manner and all the above, whilst restrictive, is designed to achieve this aim. We do need the support and patience of our customers in these difficult times and we hope you will respect that our staff are keen to assist but East Ayrshire Leisure will not allow them to be placed in a position of unacceptable risk. The information above has been prepared to meet the Scottish Government guidelines. East Ayrshire Leisure reserve the right to remove any individual who is found to be knowingly in breach of the guidance or the spirit of this guidance and will not hesitate to do so.

Finally, please be reassured that we will be carefully monitoring the implementation and impact of these controls and will amend and improve practice for the benefit of all wherever and whenever possible.
