

# Read Around Summer

The summer holidays are the perfect time to read some good books. This summer we challenge you to take part in our Book Bazinga and read at least six books. There are thirteen reading challenges, choose six or complete them all, it's entirely up to you. After completing a challenge, tick the box and show it to a library staff member when returning your books. At the end of the summer, everyone who completes the challenge receives a certificate.
