

Online registration process for existing members

If you are an existing member (Fitness, Learn to Swim, Run, Jump & Throw, Golf etc) who wants to book activities online or via our app (launching soon – watch this space!) you will need to register for our new Legend system. Please follow the steps below:

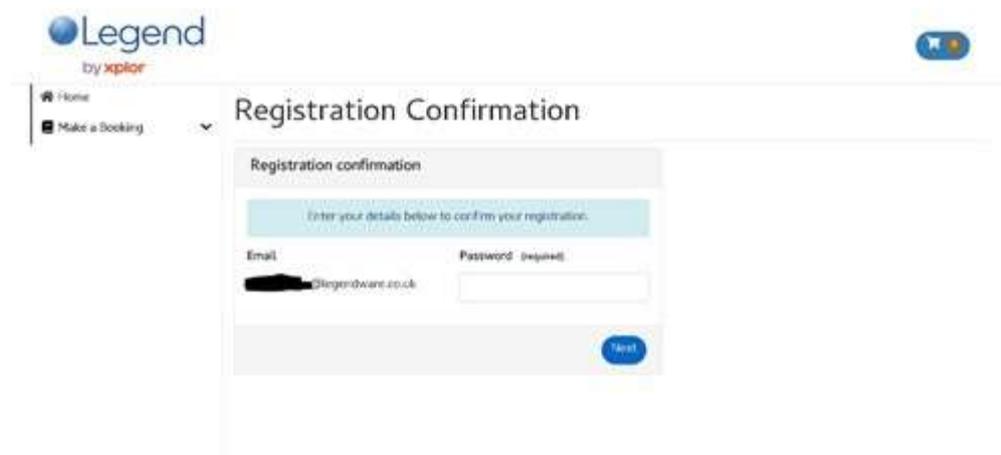

1. Click on the following link for our registration page.
<https://eastayrshireleisure.legendonlineservices.co.uk/enterprise/account/login>
2. On this page, click the "**Register**" button

2. You will then be presented with a pop-up window where you should enter your email address and create a password.
3. After confirming the terms and conditions, click on the blue "**Register**" button.

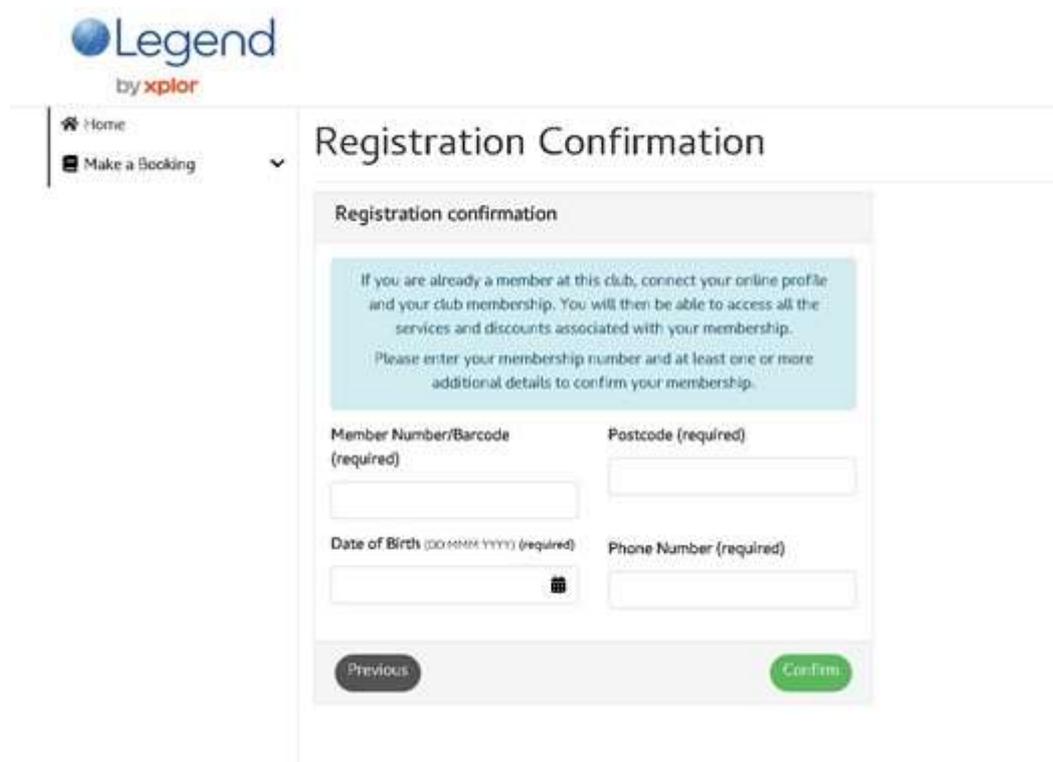

4. You will then receive a "**Verify your registration**" email. Within the email, click the link to confirm the process

5. After clicking the link, you will be taken back to the online services and asked to enter the password that was just created.

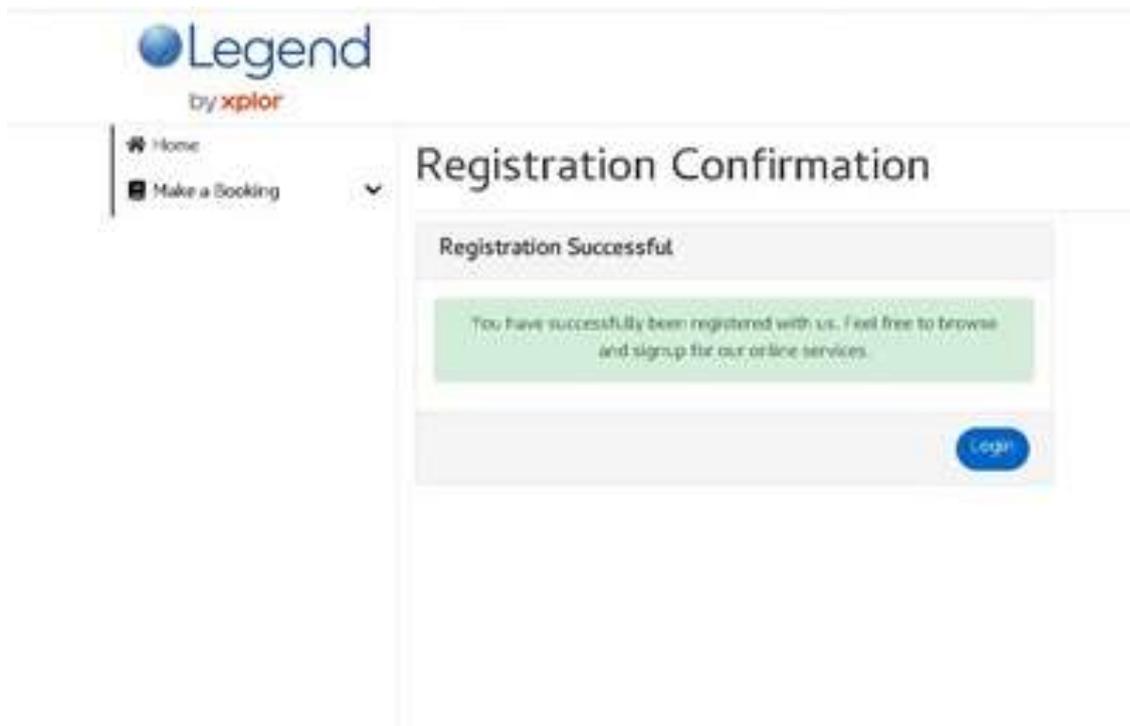

6. Once the password has been entered, you will then need to link your online account to your membership. To do this, enter your membership number (which is the BI number within the email you received) and **one** of the following:

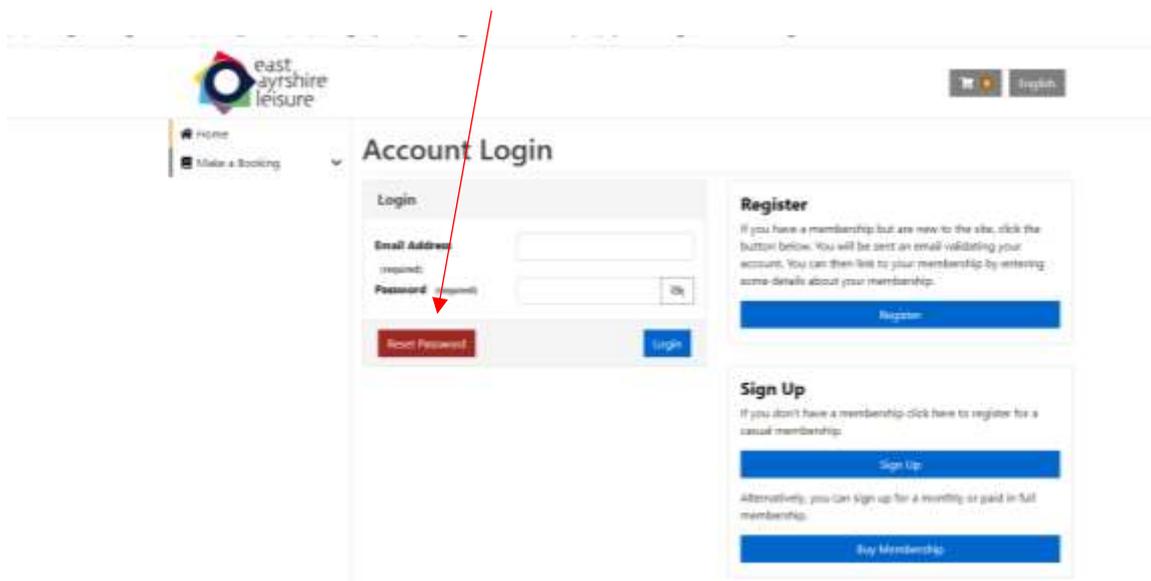

- Postcode
- Date of birth
- Phone number

7. Once you have done this, your online account will be linked to your membership and you will be able to start making bookings. You will also get a confirmation email.

8. Once you have completed this and you want to access your account, you will need to go back to the main screen and reset your account password

If you did not receive confirmation emails

The most common reason why you might not receive a confirmation email is because it has ended up in your spam folder. Please ensure this is your 1st check to see if it has gone into your spam folder. If the email is not there, please **contact a member of the staff** who will be happy to help
