

Ayrshire 360 – Your Questions, Answered

NEW MEMBERSHIP PACKAGES

When do the new Ayrshire 360 memberships start?

Our brand-new membership packages will go live on 1 April 2026.

What new membership options will be available?

We'll be sharing full details — what each membership includes, where you can use it, and pricing — right after our Board meeting on 24 February 2026.

If I'm already an East Ayrshire Leisure member, can I start using the Galleon now?

Here's how it works:

- With an Active Community Membership, you can use all the venues already included in your current membership.
- With an Active 360 Membership, you get everything in the Community Membership plus access to the Galleon Centre.

Full package details will be shared after Board approval on 24 February.

Don't forget to follow our socials, download the app, and check that we have your up-to-date email.

EXISTING MEMBERS AND CHANGES

I signed up for a 12-month Galleon contract — am I still tied in?

No — from 1 April, all memberships will move to a rolling monthly setup with a 30-day cancellation notice.

I'm a member of both the Galleon and East Ayrshire Leisure — what should I do?

Email fitnessmemberships@eastayrshireleisure.com to tell us which membership you'd like to keep.

I paid upfront for an annual Galleon membership — what happens now?

We'll move your membership to the closest matching new package automatically, and the remainder of your prepaid time will still count.

When is the new booking system launching?

It goes live on 1 April 2026.

Will I still be able to use my membership card at the Galleon turnstile?
