

Looking for a job or training?

East Ayrshire Works...
make the connection

Funding is available from European Structural and Investment Funds through the **Employability Pipeline** to help people who are unemployed, live in East Ayrshire and are looking for a job.

Vacancies: We work with local businesses to create opportunities promoted exclusively to individuals registered with East Ayrshire Works

Job Search: Assistance to complete online application forms, CVs, prepare for interview and progress to employment

Training: We can support accredited training which will lead to employment

Support: We can support you to overcome barriers experienced in securing employment
